Ms. Bixel,

Provide the state for these facilities. It appears that these are in Ohio. Please confirm if this is correct. Based on a search in the EPA envirofacts, there are links to the RCRA and Water programs . This request will be assigned to the Land & Chemicals Division (RCRA) and the Water Division.

You may want to review the Envirofacts database at: <http://www.epa.gov/enviro/facts/multisystem.html> for any information that may be of use to you.

If you know or believe EPA has records that you are seeking under the Freedom of Information Act (FOIA) give as much information as you can about the records.

Thank you.
